We use DO for actions, work, jobs, obligations and repetitive tasks. Do refers to the action itself. (DO uporabimo za dejanja, delo, obveze in ponavljajoče se naloge. Navezuje se na dejanje samo).

Example: do the housework, do the cleaning, do the laundry, do the shopping, do the chores; do something, do anything, do nothing

We use MAKE for actions that create or produce something, it refers to the result (food, drinks, reactions, plans). (MAKE uporabimo za dejanja, ki nekaj ustvarijo oz. imajo viden rezultat- hrana, pijača, materiali, reakcije, načrti).

Example: make breakfast, make the beds; make you happy, make you sad; make a decision, make a plan).
